Shenley News

Friday 2nd October 2026 ***Autumn term 1: issue 4***

Each week in Monday morning assembly, we explore our school values, school rules and our behaviour curriculum. In upcoming newsletters, we will be sharing with you the behaviour curriculum section that the children have been exploring. It has been excellent to see our behaviour curriculum in action this week - we have been focusing on the start of the day, how we move around school and end of the day routines.
Have a brilliant weekend!

PTA Events

There are many exciting PTA events planned for the year ahead! These are coming up this term...

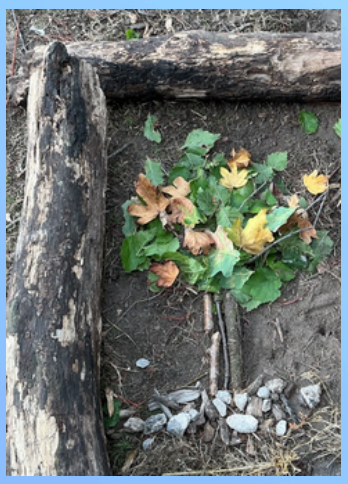

In science this week, Otter Class has been learning about air resistance. As part of this learning, the children made paper planes to see if different designs would have more or less air resistance. Next stop... parachutes!

Our Shenley children love attending Forest School sessions with Mrs M! Check out some of the fantastic natural art that Otter Class produced. They demonstrated our school value of teamwork as they made their creations.

Hedgehog Class had great fun whilst developing their fine motor skills during Busy Fingers sessions! They used tongs to pick up conkers and practised their cutting skills along curly and zigzag lines. They produced some autumnal masterpieces too!

Celebrations!
